## OFFICE OF LEGISLATIVE COUNSEL

Thursday - 4 February 1960

Committee on the status of for the House Committee on Un- American Activities. Mr. Anvell said s still not available for the Committee. He pointed out that has been hespitalized for some time with a back injury and his interrogation has been delayed.		I. Charles Haskins, National Security Council staff, called to impulse about the scheduled appearance of the Director before the Jackson Subcommittee on National Policy Machinery. I filled him in on the subject. Subsequently, he called again saying he had talked with the Director and indicated that he wanted to get together with the Director and me prior to the hearing. He requested a copy of the guidelines which the Subcommittee staff is to forward.
